Civil Action No. 16-cv-06865

SO ORDERED.

Dear Judge Koeltl:

2/7/20 *[Signature]*  
v s o j

I am writing to request an adjournment of the motion arguments in this case scheduled for February 10, 2020. My wife was admitted to the ICU at Roswell Park Cancer Institute this morning at 3:00 AM. At this point, there is no clear indication when she will be discharged. However, it seems certain that she will be hospitalized into next week, at a minimum.

I have spoken with Mr. Bonebrake, who will be arguing the motions on behalf of Plaintiff, and he does not object to this request. I suggest that a call be scheduled with Chambers and counsel next week, so a new date can be determined.

I thank the Court and counsel for their kind consideration of this request.

Very truly yours,

/s/ Dennis R. McCoy
